CHIEF DIRECTOR: MARINE AND COASTAL MANAGEMENT
SHIP'S OPERATIONS MANAGER
NDPW PROJECT MANAGER

SAILING INSTRUCTIONS: MV SA AGULHAS: MARION ISLAND
VOYAGE 124: 16 - 2 SEPTEMBER 2005

1. The *mv S.A. Agulhas* will depart from Cape Town harbour on 16 August 2005 at 10:00 on the second leg of the 2005 construction voyage to Marion Island.
2. The passenger lists (Annexure A), voyage schedules (Annexure B) and cabin allocations (Annexure C and D) are attached for your further attention.

3. **TRAVEL DOCUMENTS**

All persons accompanying the voyage must be in possession of valid passport and residence or visitor's permits where applicable. The afore-mentioned documents must be handed to the Catering Officer (Purser) at least 24 hours prior to departure. Persons not complying with this request will be responsible for arranging their own customs and immigration clearance. The ship will not be delayed for this purpose.

4. **GENERAL**

There are various rules and regulations pertaining to the code of conduct on board the *mv S.A. Agulhas* and base stations. These are explained in the attached document (Annexure F) "Organisation of Operations and Conduct of Participants in the South African Antarctic Programme".

Additional points to be noted are:

- (a) Alcohol may not be taken aboard for the duration of the voyage. There will be a bar facility on board the ship. No credit on the bar facility will be allowed. Passengers who want to make use of the bar facility will have to pay the Catering Officer a deposit. Any purchases there after will be deducted from the deposit accordingly. Only passengers that have paid the deposit will be served at the bar. All outstanding canteen, bar and radio accounts must be paid to the Catering Officer before leaving the ship at the end of the voyage.
- (b) The dress code for breakfast is casual (e.g. tracksuit pants, neat T shirt and running shoes "takkies") lunch and evening meals on board the mv S.A. Agulhas is smart casual. Individuals not adhering to this code may be asked to leave the dining room. Alternative meal schedules and eating places on the ship are to be arranged well in advance by the DCO, if the work programme is such that adherence to normal times and places is not possible.
- (c) Domestic facilities and accommodation at the base station are limited. Those staying at the Bases should anticipate a degree of discomfort and/or inconvenience. Nobody will be allowed, on board the ship and/or at the base station, to change accommodation as allocated without the approval of the DCO of the voyage.
- (d) All persons will be expected to assist with domestic chores on board the ship and at the base station as required by the DCO.
- (e) All ship and station-based persons will be expected to assist with all logistical work as decided by the DCO. This will include ship to shore off loading, unpacking of DEAT containers and any other logistics as decided by the DCO. Leave of absence from this activity, for bona fide reasons, may only be negotiated with the DCO on condition that the responsible Group Leader also gives approval for such leave. For obvious reasons, the more hands available both ashore and on the ship to assist with logistics, the sooner it will be completed.
- (f) Nobody is allowed to approach the Group Leader of the CHC to arrange a "flip" in the helicopter(s). The only person to task and approve any flights and/or accompanying passengers for the duration of the voyage will be the DCO of the voyage.
- (g) Medical assistance is available. However, persons suffering known ailments are to ensure that they take adequate medication for the full duration of the relief voyage. Chronic medication will not be provided.
